

# WORK RUBBER OVERSHOES FIT FOR WORK

*Our Natural Rubber Work Overshoes  
Stretch Easily Over The Bulkiest Of Workshoes*

With reinforced heel and toe, our work overshoes are designed to stand up to tough daily wear. That's why they are considered the industry standard.

- Injection molded, seamless construction for 100% waterproof protection.
- Excellent tensile strength, ease of stretch and tear resistance for more durability, better comfort and easier on and off.
- Will not crack or stiffen in the coldest of weather.
- Deep cleated outsole spits out debris for good slip resistance and longer wear.
- Heavy duty heel kick-off cleat for easy no hands removal.
  - Sturdy molded in rubber button on boot styles for secure closure. No hardware to conduct, tear, or snag.
  - No lining for easy cleaning and decontamination.
  - More material in heel, toe, and sole for longer wear.
  - Less material in the upper results in lighter weight and reduced leg fatigue.

**Cleated Outsole:** Spits out debris for good slip resistance.

**Cross Hatch Outsole:** Tread design covers more surface area for good slip resistance.

**Ideal Applications:** Food Processing, Transportation, Utilities, Construction, General Industry, Municipalities, and Agriculture.

**Chemical Resistance:** Acids, alcohols, bases and diluted water solutions of most chemicals that are water soluble. Not recommended for constant contact with petroleum and oil based products.

(Hi-Top Work Rubber, 10" Work Boot, or 17" Knee Boot. Sizes S-3XL.)
